JUST MEN

55
yıl

Ürünlerimizin doğallığı, doğadan;

Doğal liflerden oluşmasıdır...

Modal ipliği kayın ağacından elde edilen doğal bir elyaftır.

Pamuk kadar doğal ve sağlıklı olan modal elyafı, antibakteriyel pürüzsüz ve ipeksi bir dokuya sahiptir.

Modalın yumuşaklığını pamuğun kuruluğu ile birleştirerek, yüksek performanslı kumaşlarla günün tüm aktivitelerinde rahatlıkla kullanmanızı amaçlayan ürünleri sizin için tasarlıyor ve üretiyoruz.

Modal yarn is a natural fiber obtained from beech wood. Modal fiber that is as natural and healthy as cotton; it has an antibacterial, neat and silky texture.

By combining the softness of Modal with the dryness of cotton, we design and manufacture products that aim to you use comfortably in all activities of the day with high performance fabrics.
